

Join us for the 14th annual Families for God Weekend, Fri. – Sun., April 1 – 3, 2011

“By this all shall know you are my disciples...” ~ John 13:35

Events begin with a Friday night Bible study, then services on Sabbath followed by numerous helpful seminars and a meal. The hotel catering service will provide a delicious meal to adults and children and, separately, to the teens attending the Prom. The prom theme this year is “*Paradise at Sunset*” and we welcome all teens ages 13 to 19. Please see the **Registration Form** for meal menu selections and cost. Everyone plan to participate in the dinner this year, following the example of the early church which “...ate together with glad and sincere hearts” (Acts 2:46).

The Saturday evening family activity promises a fun and relaxing time as our brethren entertain us with song, music, readings and more! We encourage those who wish to participate, young, old or in between, to contact Tom Randle at tcr4ever39@hotmail.com or call 763-754-2401 with what you would like to contribute for an uplifting and respectful show.

All Friday and Saturday events are being held once again at the Marriott Minneapolis West. The hotel is offering special room rates for those staying overnight on Friday and/or Saturday night(s). The rate **deadline is March 11th**, (subject to availability after that date). Please see the **Registration Form** for rates and phone numbers. Let’s plan to spend extra time together, having our lodging in the evening just steps away from our fellowship!

Sunday’s activity is The Water Park of America—America’s biggest indoor water park showcasing the natural wonders of Minnesota. Non-swimmers are welcome to join us for lunch and fellowship.

Be sure to visit <http://FamiliesforGod.org> for details on times, room rates, menus and more – and to download the **mail-in** registration form. You may also check with your local pastor or elder for registration forms. For other questions, you may contact David and Stephanie Mörker at 763-639-8705 or by e-mail: dsmorker@yahoo.com.

Registration deadline is March 20th, so be sure to **mail in** your registration soon! The deadline for room rates if you are staying overnight is **March 11th** – so don’t delay!
